**New-Way Wonder**  
for Corns, "Gets-It"

The Big Surprise for Corn Owners.  
It's Sure, Simple, Safe, Quick.

Listen to the wee story of "Gets-It,"  
the world's greatest corn remedy. It's  
a short story—only about two feet—  
"Mary had a little 'Gets-It,' and  
corns upon her toe; and every time

Stop! Misery and Embarrassment Like  
This With Simple, Easy "Gets-It!"

she put on "Gets-It," the corn was  
sure to go." Mary, like thousands of  
others, used to be a heroine, suffering  
martyrdom, using painful bandages,  
irritating salves, sticky tape, toe-  
harnesses, blood-bringing razors and  
scissors! She says now there's no sense in  
it. Use "Gets-It!" applied in 2 seconds.  
Easy, simple, new way—just painless com-  
mon sense! Millions are doing it.  
Never fails. You can wear smaller shoes  
now. You don't have to limp around  
any more, or walk on the side of your  
shoes to try to get away from your corn!  
You know for sure before you use  
"Gets-It!" that the corn or callus is going  
away. For corns, calluses, warts and  
bunions.  
"Gets-It!" is sold by all druggists,  
25c a bottle, or sent direct by E. Law-  
rence & Co., Chicago.

Sold in Cookeville and recom-  
mended as the world's best corn remedy by  
J. H. Watts.

**OLDER BUT STRONGER**

To be healthy at seventy, prepare at  
forty, is sound advice, because in the  
strength of middle life we too often forget  
that neglected colds, or careless treat-  
ment of slight aches and pains, simply  
undermine strength and bring chronic  
weakness for later years.

To be stronger when older, keep your  
blood pure and rich and active with the  
strength-building and blood-nourishing  
properties of Scott's Emulsion which is a  
food, a tonic and a medicine to keep your  
blood rich, alleviate rheumatism and  
avoid sickness. No alcohol in Scott's.

**Beware of Ointments for Catarrh  
That Contain Mercury**

as mercury will surely destroy the sense of smell  
and completely derange the whole system when  
entering it through the mucous surfaces. Such  
articles should never be used except on prescrip-  
tions from reputable physicians, as the damage  
they will do is ten fold to the good you can  
possibly derive from them. Hall's Catarrh Cure,  
manufactured by F. J. Cheney & Co., Toledo, O.,  
contains no mercury, and is taken internally,  
acting directly upon the blood and mucous  
surfaces of the system. In buying Hall's Catarrh  
Cure be sure you get the genuine. It is taken  
internally and made in Toledo, Ohio, by F. J.  
Cheney & Co. Testimonials free.

**A TWICE TOLD TALE**

**ONE OF INTEREST TO OUR  
READERS**

Good news bears repeating, and  
when it is confirmed after a long lapse  
of time, even if we hesitated to be-  
lieve it at first hearing, we feel secure  
in accepting its truth now. The fol-  
lowing experience of a Cookeville man  
is confirmed after seven years.

L. H. Clark, saddler, Walnut St.,  
says: "My kidneys had troubled me  
for years. I seldom rested well and  
the dull, weary backache kept me mis-  
erable through the day. The kidney  
secretions were filled with sediment  
and I was all out of sorts and steady-  
ly getting worse. Someone advised  
me to use Doan's Kidney Pills and I  
got a supply at Neal & Staley's Drug  
Store. They cured me and for two  
years I have been in good health."  
(Statement given January 27, 1908.)

On March 23, 1915, Mr. Clark ad-  
ded: "I still consider Doan's Kidney  
Pills a fine kidney medicine and I  
gladly confirm my endorsement.

Price 50c, at all dealers. Don't  
simply ask for a kidney remedy—get  
Doan's Kidney Pills—the same that  
Mr. Clark had. Foster-Milburn Co.,
